

SURFACE-MOUNT RF SHIELDS

PRODUCT FEATURES

- Quick & easy shielding solution
- Shields are ready to order; no tooling needed
- Tin plate and brass material offer excellent shielding and solderability characteristics
- No pre-set through-pins to interfere with custom boards
- Easy form-by-hand bend lines assist creating formed shield. No tooling required.

MATERIAL SPECS

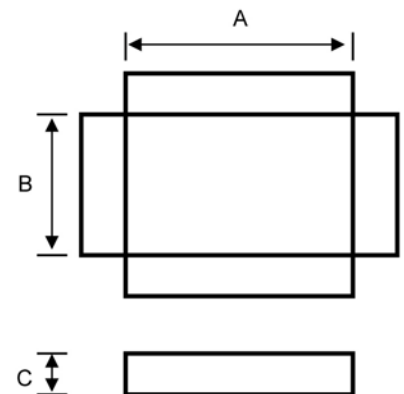

- 0.015" (0.381mm) brass CDA 26000 ½ hard
- Finish: Bright tin plate (per Mil-T-10727, Type I Bright)
- Dimensions are outside (formed) dimensions
- Fotofab standard shields are RoHS compliant
- Made in the USA with materials produced in the USA

PRODUCT NOTES

- Parts are designed to be formed by hand without the use of tools.
- Create 90° bend by forming shield wall into the lid so that bend line remains on the inside of shield
